

Jingle Bells

Jingle bells, jingle bells, jingle all the way
What a lot of fun I'll have all of Christmas Day!
Opening all my presents up, seeing what I've got
Hoping Santa Claus will bring me lot and lots and lots.

The greatest gift of all came from our God above
He gave us His own son, because of His great love.
This world was full of sin, of misery and woe
But Jesus came to shine His light in this dark world below.

Jingle bells, jingle bells, jingle all the way
Let us all enjoy ourselves as we feast on Christmas Day.
Come on let's pile our plates up with a tempting roast
And let us see which one of us is able to eat the most.

Our Saviour Jesus Christ lived amongst us here on earth
The angels gathered in the sky to praise Him at His birth.
At the appointed time he went to Calvary
And hung there on a cross of wood from sin to set us free.

Jingle bells, jingle bells, jingle all the way
Can't wait to join the family for this holiday.
Get the champagne corks popping and invite the gang
Turn the music up and let the party go with a bang!

Our Saviour Jesus Christ, God's gift to human kind
Ascended to His Father so that we may find
Eternal rest in Him, and feast with Him above
Forever, yes forever more because of His great love.
